

# R Remove HC8

## Hand Cleaner & Conditioner

### APPLICATIONS

Hand cleaner designed to remove inks, oil & grease, paints and other oily soils.

### GENERAL CHARACTERISTICS

- Pink water-based lotion with a pleasant cherry scent.
- Powerful solvency to remove all inks.
- Contains abrasive to accelerate the removal of difficult soils.
- Triple blend of emollient, moisturizer and conditioner to protect the skin and prevent chapping or drying through repeated use.

### DIRECTIONS FOR USE

Apply to soiled hands and rub until dirt is removed. Wet hands with water then rub hands together until a lather is produced. Rinse hands with water.

### HEALTH & SAFETY

Before using, refer to appropriate material safety data sheets.

### STORAGE

When sealed in the original container and stored in cool conditions, Saatichem products will maintain their original properties for one year from the date of production.

### PACKAGING

Remove HC8 is available in 4 oz, 1 qt, 1 gallon, 5 gallon, 50 gallon containers and 6 qt cases

### WARRANTY & LIMITED REMEDY

The directions, recommendations, and specifications contained in this Technical Data Sheet are meant as a guide to the use of the product and shall not bind the company. Product specifications are subject to change without notice.

The following is made in lieu of all other expressed or implied warranties, including any implied warranty of merchantability or fitness for a particular purpose:

All SaatiChem manufactured liquid products are warranted to be free of defects in materials and manufacture and to meet the specifications stated in SaatiChem's applicable Product Bulletin. SaatiChem will replace or refund the price of any SaatiChem manufactured liquid product that does not meet this warranty within the applicable warranty period.

The remedies are exclusive. In no case shall SaatiChem be liable for any other direct or indirect damage or loss, including without limitation any incidental, special, or consequential damages, or any material costs or labor charges incident to the removal or replacement of any mesh, screen, ink, substrate, finished graphic or any other item.
